

Happy. Healthy. Confident.

Camp Protocol

Stronger Together

Employee Guidelines

- Staff will be temperature checked each day up on arrival. If temperature is over 99 degrees staff will be sent home.
- Staff is required to wear a mask while working.
- Staff will wash/sanitize hands prior to, during, and after activities.
- Staff will be trained on new procedures and will enforce social distancing guidelines.

Building Preparation

- Facility Team will clean & disinfect gyms prior to opening according to CDC Guidelines.
- All surface areas will be sanitized before, during, and after each activity. Hand sanitizer throughout facility and monitored for refills.

Social Distancing

- Lobby and offices will be clearly marked with visual aids for 6' social distancing. Lobbies will be closed to spectators (exception for under 3 year olds).
- Drop off and pick up will be from separate entrances
- All adults in facility are required to wear a mask.

Prior to Camp

- Students will be temperature checked prior to entering the facility. If temperature is over 99 degrees child will be sent home.
- Students are required to sanitize their hands prior to entering.
- Staff will have disinfected all equipment, common touch surfaces, bathrooms, and lobby/front desk.

During Camp

- Students will use hand sanitizer after each activity camp group passes through Stations and activities will adhere to 6' social distancing guidelines
- Stations and activities will adhere to 6' social distancing guidelines
- Students will remain with the same camp group and instructor for the entire camp day.

After Camp

- Staff will clean and disinfect the gym, lobby, and bathrooms prior to next group entering.
